

American Legion Auxiliary

Tar Heel Girls State

ALA Tar Heel Girls State is only 7 months away! Wow! We are excited about the 77th session and are already having inquiries from schools about sending girls.

Several reminders for units:

- Go ahead and make contact with the school counselors about making recommendations for qualified young ladies who would like to attend ALA THGS. Refer them to the website for additional information. Don't forget to contact private schools and homeschool associations.
- Make plans for hosting/attending an orientation in your area. If you are interested in hosting an orientation, please contact one of the commissioners. Their information is listed on the website.
- When you receive applications back from the girls, PLEASE look them over carefully. Make sure all signatures are on the application, all information is filled in completely, and that they have attached the front and back of their insurance card to the health form. If anything is missing, please get in touch with the girl/parent to get it completed BEFORE sending it to headquarters.
- There will be some changes to the application. The most notable is that we need verification of legal residency for those who are not US citizens.
- The Samsung Scholarship application will be done totally on line. As soon as I receive the information, I will post it on the website.

The ALA THGS commission and staff are looking forward to another great year at Catawba College. Our session dates are June 12-18, 2016.

Thank you for all your support and for choosing great citizens to attend.
