

CALENDAR FUNDRAISER

DEADLINE APPROACHING

Hello, everyone. I want to remind you that our Calendar Fundraiser for 2017 is underway and sales will continue through November 30, 2016. This is a HUGE fundraising opportunity for our Department's General Fund. If you haven't already gotten a supply of our 2017 calendars and been in the process of selling those, I urge you to contact me right away. I can put calendars in the mail so that you can start participating right away.

As I reminded folks at Fall Conference last weekend, this project allows us to reach out to individuals who are not part of the Legion Family. Anyone 18 years of age or older is eligible to buy one of the calendars for \$50 and will then have the opportunity to win every day of next year -- that's 365 times!!! Prizes range from \$25 to \$550.

Consider asking your Unit, Post or Squadron to buy a calendar in its name; we cannot accept multiple names on the entry form, but we can accept and pay winnings to a group or organization.

If prospective purchasers bought last year and are hesitate to buy again because they haven't won in 2016, remind them this year is not over -- there will be 66 more winners between today and the end of the year for 2016. Then we get to start drawing names of winners for 2017!

Again, please support this fundraiser. Don't just buy one for yourself or a family member; sell to other family members, co-workers, friends, neighbors, etc. One size fits all and they would make excellent Christmas presents, too!
