

Cavalcade of Memories

The Cavalcade of Memories program is: A plan to share the history of our American Legion Auxiliary. We can preserve, and display honoring members who made a huge impact on our organization especially our units.

Every year holds some wonderful events your unit held. This is history, preserve it. Take pictures, cut out the newspaper articles.

You may have pictures from conference, state and national conventions workshops, and etc.

The next step is to find a place to display, or put your memories at the post if possible, or keep them in a file cabinet.

My goal for the year is for every unit to begin this program if you haven't already.

I challenge each unit to look in your drawers, old folder, or photo album for those memories. Come On! Let's Do It! You Can Do It! I will have a poster to display memories at Fall Conference, but you need to bring something to display. I know you're ready for the challenge. Please find those memories.

Prizes will be given for the best ones 1st, 2nd, & 3rd place.
