

DOES YOUR UNIT HAVE A CONSTITUTION AND BY-LAWS??

HAVE YOU REVIEWED IT LATELY??

DO YOU KNOW WHERE IT IS?

DO YOUR OFFICERS AND MEMBERS HAVE ACCESS TO IT?

These are very important questions. Your Constitution and By-Laws are the rules for your Unit. Many of the calls that go into the office could be answered if you read these important documents. Every time there is a change in the Department Constitution the Unit should make sure that theirs is in compliance with both National and Department.

This year the committee is offering a chance for a cash award if your copy is in the office. Even if there is an old copy in the office, please review it, put the date on the bottom of the last page of the date it is reviewed and send it into the Raleigh office.

The office will give the committee a list of the unit names that have either reviewed or made changes this year. These names will go into a bowl and a unit name will be drawn at convention for an award of \$25.00. This will go to the unit to be used as they want.

Division Presidents – remind your units about this award because the division with the most in the office dated THIS year will also get an award.

Anne Morris, Chairman
