Ladies, we sure hope all are well and are enjoying the beautiful weather we have been having lately.

All our Division Meetings and our Fall Conference has been held with very good attendance. Lots of membership was brought in but we sure need a lot more coming in. We are 573 behind this time last year so we would appreciate all the help we can get with turning membership.

The Membership Committee had asked all units that had reached 35% of their membership by Fall Conference; their units would be put in for a drawing to be held for a prize worth \$100.00. The drawing was held and Fayetteville #202 Unit won. The check has been written to the unit to apply where they would like.

For our Mid-Winter Conference we will ask that all units that reach 75% of their membership; their unit names will be put in for a drawing for the \$100.00 gift. Please hustle and turn membership in.

Please remember if you should need help please call or email one of us and we will help in any way we can.

We thank you for all your hard work. Please get to rowing quite a bit harder so we can reach our goal for President Brenda.
