

Membership

Summertime is winding down and it is now time to concentrate on membership renewals. Please remember to send in membership as you get it. We recommend sending membership in at least every two weeks. Units can be held liable for holding onto someone's membership after being paid. The national organization is again waiving their portion of membership dues for female veterans joining the auxiliary for their first year. So let's go out and sign them up! Let's concentrate on reaching your membership as of June 30, 2016. If you can reach that goal plus one more member then you have made your goal. Remember that personal contact is the best way of getting your renewals.

If you have any questions, comments or concerns please don't hesitate to ask. We are only a phone call or email away. We are here to help you in every way we can.
