

National Security

2016-2017

I am asking each unit to choose 1 of the 3 projects (or all 3) listed below to focus on this year.

- Send Care

“PILLOW CASES” to our deployed military, so they will have a personal pillow cases to lay their head on at the end of a long day. Fill these before you mail with :
Playing cards, puzzle books (word find, cross word etc.) the
New type of coloring books & colored pencils with sharpener
Snacks: crackers, Pringles can, nuts, single serve cereal etc...
NO CHOCOLATE or THINGS THAT MELT
- Find Service

members that are NOT deployed to send cards to monthly
Thanking them for their service, a lot of times we forget the ones that are state side, but away from their families. Only choose 4 or 5 so you can keep it personal, you never know you may even get a new member for the auxiliary, (they are all moms).
- Support

your Blue Star Mother’s and Families. Ask them to a unit meeting to tell you who they have in the service and let them know that you are here to support them.
