Congratulations! We even had a cheerleading contest! What fun and fellowship.

The following units were at 100% +: Southport 213 107.69%; Yanceyville 210 is at 108.33%; Warrenton 547 is at 100%, Angier 436 is at 120%; Durham 175 at 102.6% and Shelby 82 at 103%. National is also offering a \$100 award for units that reach 100% of their annual target by December 31, 2015, plus a 100% flagpole ribbon. Check will be made payable to the unit to be used for mission outreach and / or membership efforts. Make sure your unit gets in on this!

All Divisions, Districts and Units that are at 75% by Mid-Winter Conference will be eligible for another drawing of \$100 each.

In November let's promise to thank a veteran for their service to our country and honor their service with membership. In December we need to promise to honor those who gave their lives to save ours and get in the holiday spirit by giving the gift of membership to a potential new member.

As a membership-driven, nonprofit patriotic service organization, the American Legion Auxiliary (ALA) could accomplish very little without its members and their individual dedication to our mission. Please pay your membership dues NOW so we can continue to work our mission. June will be here before we know it and we want to have fun at the American Legion Auxiliary M & M State Fair; remember one membership equals one ticket! See you at the fair!
