

Chairman's Corner

Happy New Year from your Department PR Committee!

Now that the holidays are over, we ask you to forward any pictures or descriptions of activities your unit may have sponsored for veterans, military personnel, children or others in your community during this special time.

Also, please remember that January 18th , Martin Luther King, Jr. Day, is designated as an American Legion Auxiliary Day of Service for veterans and our military. We hope you will send us unit pictures and descriptions of activities done on this day, too.

Hopefully these activities did or will appear in news media, unit newsletters, Facebook page or website **AND** unit members are easily identified as Auxiliary members through Auxiliary apparel.
