

Now that the holiday season has passed I need for EVERYONE to listen up!! Our Mid-Winter Conference is just around the corner, February 5-6 2016 at the North Raleigh Hilton and we will have our National President, Sharon Conatser with us. So make plans to attend, so that North Carolina can make a good showing for the National President.

Also at Mid-Winter Conference on Friday evening, the Sons of The American Legion will be providing the band, "Shake Down" for your dancing pleasure. This is a great band, playing a lot of "oldies" for you to enjoy. So make plans to attend the dance and support the SAL at the dance on Friday evening.

Ladies, when the year began I stated that communication was an important facet of any organization. Ours is no different. I believe everyone has to have a role in this starting with myself right down the line. So I am asking everyone to put forth an effort in the communication department. If you or your unit has questions feel free to contact your District or Division President. If they can't answer feel free to call me, if I can't answer I will find someone who can. This is part of working together as a team.

If we work as a team we can accomplish what we need to do in our communities and throughout the state so we can continue "Keeping the Promise" to our Veterans and their families. That is also how we continue "Together, Building for the Future."

Congratulations to our newest units, I had the honor of presenting Wilmington #545 with their charter. Brenda Toppin and Julie Smith presented the charter to Southern Pines Unit #177. Another newly chartered unit is Warrenton Unit # 547.

Susie Woodle, President's Project Chairman would like for everyone to bring jellies, homemade cakes, pies, bread, canned goods or anything made in North Carolina to be sold at the table at Mid-Winter Conference. Wine baskets, fruit baskets, spa baskets etc. Anything that is donated is very much appreciated.

For God and Country
