

Our annual District meetings are now underway. We are now hearing a review of what we have accomplished since the year began and hoping we can accomplish a lot more before the year ends in June. It is interesting and rewarding as well, to hear the things that you are doing, have done and are planning to do.

This is where you can brag on your unit and what it has done so far and also this is where you hear what other units are doing and a good opportunity to pick up new project ideas for your unit. And is also a great time for fellowship and getting to know other women in our great organization.

As you know, my theme for this year is "Together, Building For The Future". Ladies if we do not retain the members we now have there will not be a future for our organization. So, I am asking you to make those telephone calls and see if you can get those women who have not paid their dues to do so. We need them. You might be surprised at what a difference a telephone call can make.

Plans are being made by our Leadership Chairman, Janice McLeod and her committee for Legion College. This will be held on July 22-23 at the Village Inn Event Center in Clemmons, N. C.

If you would like to check on Calendar Fundraiser winners go to: www.alanorthcarolina.com.

The Junior meeting will be held April 15-17 at the Bible Camp in Mocksville, N. C. Contact Junior Activities Chairman, Susan Campbell for information.

Girls State will be held June 12-18. All applications are to be back to the Department by April 15th. If you have questions please contact Barbie Creech or Rosemary at the Department.

Be sure and remind your units of your upcoming District meeting. There just might be a prize or two at Department Convention relating to these meetings.

Remember in order to build for the future and to keep the promise to our veterans we must maintain our members and work toward getting other ladies to join our organization and we must keep ourselves in the public eye. Let our communities know who we are, and what we stand for and why we do what we do.

March is Women's history Month and the theme is "Working to Form a More Perfect Union Honoring Women in Public Service and Government." A good place to start making history is in your own units and communities. Recognize women who have made contributions to your communities and to your units and you can also serve and recognize women veterans all month.

Looking forward to seeing you at District meetings.

For God and Country

Linda Laws
