

## **STATE HEADQUARTERS FUND COMMITTEE**

**This Committee's responsibility is to request donations from Auxiliary Units from across the state of North Carolina, and use these funds to maintain and purchase any needed office equipment and other items for the State Headquarters Office in Raleigh.**

**There is no additional funding available to cover the cost of maintaining or the purchase of replacement office equipment, except through the generous donations from our Auxiliary Units and members.**

**Currently, there aren't any major concerns; however, we would like to be prepared with the necessary funding to meet any needs that might arise in the future.**

**Many Units have already contributed to this fund for 2016-2017 and we extend a "BIG THANK YOU." If your Unit has not yet done so, we encourage you to discuss this with your Unit. Donations in any amount, large or small, will be gratefully accepted and appreciated.**

**With all of us working together, we can keep our State Auxiliary Office Headquarters running smoothly and efficiently. Rosemary and Betty work hard for all of us, so let's make sure we are doing our part in keeping their office equipment running smoothly.**

**Happy Holidays from our Committee Members:**
