

## VICE PRESIDENT

Ladies, I look forward to serving you this year as your 2016-2017 Vice-president. We have a year of excitement ahead of us working together on retaining and getting new members. The more we increase our membership , the more we will be able to commit to serve our veterans.

Let's remember how important it is to pay your Fair Share. This money goes directly to the VA Hospitals to assist our veterans with their needs. I challenge every unit to pay their Fair share and reach a goal of 100% this year.

It's so important for all of us to work at creating a cultural of goodwill in our units and as a department. We must continue to build trusting relationships, have respect for others, keep positive attitudes, and stick together as a team. We must give each other support and remember: There is no " I" in Team.

Ladies, let's work together to make a strong and United organization. I'm looking forward to working with each of you during the upcoming year. If I can assist you in any way I'm only a phone call away.

Debbie Harris  
Dept. Vice-president
