

Veterans Affairs and Rehabilitation (VA&R)

Happy New Year!!! Your VA&R Committee looks forward to working with you and trying to answer any questions you may have along with learning about all the exciting accomplishments you have had with your VA&R Programs.

We would like to thank those units who have paid their VA&R Fair Share and encourage those that have not yet met that obligation to start the New Year off right by giving back to our veterans through the VA&R Fair Share. Remember poppy monies can be used for this or any VA&R project. Make sure you mark your check as to what fund (Fair Share, Creative Arts, a specific VA Medical Center (VAMC) , etc.) you would like to contribute to and mail to the ALA Department Office. We know we can count on your support! Let's continue to build our VA&R Program in North Carolina!

THANK YOU to all the units who submitted Mid-Year Reports. Without your reporting we wouldn't be able to brag about with the great work North Carolina continues to do. We look forward to seeing everyone at Mid-Winter Conference February 5-6 in Raleigh and plan to share all the great work being done by you.

We appreciate all you or your unit do to help us help our veterans, please continue to give of your time, monies and in-kind donation to all four of our VA Medical Centers!
