

Ladies,

It was so good seeing everyone at Fall Conference. I would like to commend the Chairmen for their wonderful reports and hope that everyone learned something new to take back to their units.

I know everyone is getting busy preparing for Veterans Day festivities. This is such a special day for our Veterans and to make them feel important and not forgotten. Would like to share this poem with you :

KINDNESS

To show your kindness
There are many ways
So stop waiting for opportunities
Be kind to someone today
You can donate money
You can volunteer
Do whatever you can
To bring about a cheer.
You may think of it
As a small and insignificant act
But in someone's life
It will be a life changing fact

Let's make Veterans Day special and make a difference in a Veterans life.

Remember: I'm only a phone call away if anyone needs assistance.
