

The Warren-Ragan scholarship is awarded only to Junior members for her education. It is the only scholarship that is strictly for Juniors.

She must be in good standing with her unit. Ladies, please talk with your Juniors and let them know about this scholarship . We had no applications last year and would really love to have alot of applicants to choose from. The applications must be turned in by March 15th of the year the application is being made.

I have copies of the rules and requirements. If you didn't get them at Division mtgs or at conference, please email or call me if you need a copy.

We also would appreciate any donations to keep this program going.

Awards are: a certificate will be given to the unit in each Division for the largest amount donated to the program.
