### Greetings from Department Chaplain Sue Jones

- I would be honored if you would email me names and addresses of your unit members who are struggling in any way (illness, death of a family member, etc.) so I might send them a card of encouragement and keep them in my prayers.
- Send or email prayers, poetry, inspirational thoughts, and/or scenic photos of places in North Carolina for our Department President's prayer book.
- Advise me of the death of any unit member so I might pray for their families, and we might remember them at our Memorial Service at June Convention.
- Remember your Gold Star Members and let them know they are thought of.
