We still have open slots for Girls State. If you need an application please call the office

Money raised for the **President's Project** will be for the VA Medical Centers. **Homemade goods and goodies are always a big hit at our Bizarre Table.** Looking forward to filling up our table at the June Convention. We really appreciate all the donations, and we really hope to be successful for our Veterans and our President Brenda Toppin.

If you are near Department Headquarters, be sure to stop by and give a big welcome to Evelyn Allen. Evelyn is currently in training under Department Secretary Rosemary Turner until Rosemary retires on June 30. We are grateful for the many years of dedicated service Rosemary has given to the Auxiliary, and wish her the very best on her retirement! Sue Jones, HR Chairman
