Department of North Carolina  
September/October Mailing

From: Toni Reale, President

Much has gone on since our last bi-monthly mailing.

We had a successful, well attended Legion College at the beginning of August, followed by the American Legion World Series in Shelby, followed very closely by the 103<sup>rd</sup> National Convention in New Orleans, LA. Many of us are still trying to catch our breath!

So, now it is back to business. Our new National President, Trish Ward, is to focus on building and strengthening units. Her plans include moving forward on the strong foundations laid by prior National Presidents. In essence, each program was successful and by having this foundation will only make us a stronger more effective organization.

We have been given tools to make this happen. And throughout the year, we will be playing cards. No, not with standard cards but cards that reflect each of the ALA programs. We will select a card each month and you choose what activity on the card that your unit would like to focus on. Each activity spotlights one program with the many aspects of each.

I recommend that you select the activity that excites you and your members. There are many programs. Your units do not have to work all program.

Committee Chairs should be available to help out the units. All ALA members should familiarize themselves on the information that is available on the National website: [www.alaforveterans.org](http://www.alaforveterans.org). All the programs are explained. There is the ALA Academy, which is a series of short video presentations on various committees and programs with some questions following. The National Chairs will also be posting their program engagement plans as guides for members.

First and foremost, we must always keep in our minds and hearts why we are here and why we do what we do: our veterans, the active-duty forces and their families.

In the Spirit of Service Not Self  
For God and Country  
Toni Reale  
President

## MEMBERSHIP

FALL 2024

I hope that everyone is getting over the summer rush and looking forward to our fall meetings and getting our membership Moo-ving !

Division meetings are right around the corner, and this is a great opportunity for members to hear our mission for the coming year.

We are off to a great start moo-ving our herd forward, but we must continue our round-up and leave no one behind.

We will have a horse race at Fall Conference between the Division Presidents based on membership percentage, VA&R Fair Share percentage and a few surprise categories.

It is time for our Department to moo-ve forward together and let our veterans and communities know all the things we do to make a difference.

In the words of our new. National President Trish Ward “this is not my year; this is our year.”

Prizes at the Fall Conference will be based on Unit membership size with the categories 200+, 125-200, 75-125, 40-75 and 10-40. Each Unit in those categories will be entered into a drawing for \$100.

Let us all help Slim, Rowdy and Blaze race their way to victory!

Beth Whitaker

Department Vice President/Membership

Hi,

My name is Claire Harris, and I was elected as your Honorary Junior President for 2024-25. I'm looking forward to a great year working with the Juniors. My Project for the year comes under Children and Youth. I would like to collect items for children in some of the local Children's Hospitals to help them cope with what they are going through while in the hospital. I would like for all Juniors and Auxiliary units in the state to assist with this project. I will be gathering information from the Hospitals to see what items are allowed to be brought into the hospital.

I will be coming to Fall Conference and will have updated information on my project. I'm looking forward to my year and hope to continue with my passion for helping children.

Claire Harris

## Why Do We Celebrate Labor Day?

Labor Day is an annual celebration of workers and their achievements. Back during the Industrial Revolution, the average worker worked 12 hours per day seven days a week. And some people today complain about a 40-hour work week. Aren't you glad you don't work those long 12-hour days for seven days. It made me tired thinking of those long hours. And children as young as 5 and 6 worked in mills, factories, and mines to help their families. Can you see this happening today? Kuddos to our ancestors. I know by the time you get this newsletter, Labor Day will be over. I am hoping you all enjoyed your Labor Day activities. Ours was celebrated at our local Post 342 in Salisbury with a hot-dog and hamburger cookout.

The American Legion Auxiliary, founded in 1919, is a community of volunteers serving veterans, military, and their families. ALA members assist veterans in hospitals, advocate for veteran issues, support therapeutic creative arts festivals, distribute poppies for remembrance, and much more. NEC Report On the 103<sup>rd</sup> National Convention  
Respectfully submitted  
Julie Smith  
NEC 2024-2026

The 103<sup>rd</sup> National American Legion Auxiliary Convention in New Orleans was a resounding success, filled with inspiring moments and significant achievements. I wish all of you could have been with us to witness these milestones. Next year, the National Convention will be in Tampa Bay, Florida, August 22-28, 2025. Make your plans now to attend and be part of this legacy.

Let me introduce our new National President, Trish Ward, from Kansas. Under her leadership, we are embarking on a new journey with the Department Excellence Initiative as our focus this year. This initiative is not just a goal but a call to action for all of us, a commitment to strive for excellence in all our endeavors.

1. Achieve 85% Membership Benchmark by 3/15/25
2. Complete and Submit the Department Impact Report
3. Demonstrate Governance Excellence through defined priorities
4. Assure critical financial policies are in place and implement a process for continued stability
5. Donate to the ALA Foundation Veterans Project Fund and the ALA Emergency Fund.

National President Trish asks us to “**Take the Challenge and LEAD THE WAY.**” She asks units to participate in the ALA Challenge Deck and donate \$35 to the Veteran Projects Fund. Your donation will support projects serving veterans in local communities. These cards are a fundraising tool to engage your members with the ALA's mission, making them feel more connected and involved. A flyer with a QR code you can scan to purchase the ALA Challenge Deck will be attached to the September NEC newsletter. It will also be posted on our website.

### **National Officers for 2024-2025**

National President Trish Ward from Kansas; National Vice President Pam Ray from Illinois; National Chaplain Monique Batiste, from Louisiana; National Historian DaraAnne Oliver, from Florida; Southern Division Vice President Cheryl Shine from Virginia; National American Legion Commander James “Jim” La Cousiere and National Commander for the SAL, Joseph Navarrete

Members working on the mission from North Carolina were featured on the jumbotron, a testament to their hard work and dedication. Congratulations to Linda Quinlan. She won the award for best scrapbook for the Southern Division.

At the National Convention, 128 charters were canceled nationwide, including three in North Carolina: Unit 23, Unit 204, and Unit 270. National President Trish says that we must stop the slide of Charter cancellations. Nine resolutions to the Constitution/proposals were brought before the convention body to be voted on by the delegates from each department. You will find a complete summary in the September NEC newsletter.

VA&R Sep/Oct Newsletter

Greetings from New Orleans, LA. The American Legion Auxiliary National Convention just concluded. WOW, what a convention it was!

As your VA&R Chair, I paid attention to what other units have done. From crafting greeting cards, lap blankets and hats to donating clothing, games, puzzles, books, playing cards and snacks to our veterans. Creating Christmas gift shops, gift baskets and food pantries to lending assistance to our homeless veterans during Stand downs, and hosting the Creative Arts Festivals, showcasing our talented veterans, are some of the activities our Auxiliary members are doing.

I have learned that Poppy Fund money can be utilized to set-up and run a Food Pantry for veterans and active-duty military families, help with the cost of the Creative Arts Festival and to pay your Unit's Fair Share to Department Headquarters.

Did you know that your Unit can apply for a grant to help cover the expenses of your programs and materials, from ALA National? I will distribute grant information and an application later this month to my hospital Representatives and the Division Presidents to pass onto their Unit Presidents.

If you have any questions, concerns, or ideas, please contact me. Thank you for all that you do!

For God and Country,

Celeste Slater

## Durham VA Health Care System

Hello all unit members! Here is an update for needs for our Veterans this Fall.

1. We have a large number of coats so we will be switching our Fall promotion to sweatsuits. See attached flyer for our promotion and how to donate.
2. Welcome Home Block Party for post 9/11 Veterans and their families is scheduled for Saturday, 10/19/24 at the Durham VAMC under the front overhang of the facility. We have no funds for this, so a sign-up sheet will be available for Units to sign up to make donations to cover food, DJ, Kids activities, and vendors. The VA will do the cooking and provide ice cream. If you want me to sign you up for a donation, let me know and I can handle that for you. This is going out to all VSO organizations so we do not have to cover the entire cost, but any donations will be greatly appreciated.
3. The Food Pantry is doing well, but continued donations are greatly appreciated.
4. The Fall Baby Shower is covered! We will have 3 Spring, 2025 showers so donations for those would be great for May.
5. We are going back to Thanksgiving Food Bag donations. You are welcome to turn these in at the Fall Conference, and I will be glad to deliver them to Durham. If you want to deliver yourselves, feel free, and also to Greenville. Please use the sturdy tote bags that you can find at Michaels, Dollar Tree, etc. for 99 cents. These hold up much better than paper bags.
6. The Holiday Tree is back! We will have inpatient units, therapy groups, CLC residents, families, kids, Hospice residents for adoption. Final details at the Fall Conference.
7. We have a continued need for donations to support Bingo, holiday events, outings, and picnics for the CLC residents, and hope you can continue to donate for these needs.
8. Durham is accepting volunteers. If you have a few hours a week, monthly, or every other month, we would love to have you. Let me know if you are interested and I can get you in touch with Volunteer Services.

Looking forward to seeing you at the Division meetings and Fall Conference.
