

Salisbury “W G Hefner” VAMC, Salisbury, NC

Gloria Wilhelm, Hospital Representative

Martha Corriher, Hospital Deputy

The Salisbury VAMC has the bus rolling again for the veterans in Long Term Care to go on bus trips. The trips are comprised of visiting various historical sights, outdoor trails, farms, parks, etc.

While the veterans cannot get off the bus at these sites, the bus trips give them an avenue to the outside world. While on the trips, recreation therapy will treat the veterans to various fast-food places where they may enjoy ice creams, happy meals, doughnuts, cookies, or whatever establishment they choose that day.

The cost for each trip will vary. We need funds sent to the department office earmark them for special events for Salisbury CLC Bus trips. We will purchase gift cards to be used for their outings. Be on the lookout for next month’s highlight of special events at Salisbury.
