Salisbury – Gloria Wilhelm	704-279-7843	wilhelmga@yahoo.com

The Veterans Affairs and Rehabilitation committee started off this year with tremendous support from our Unit members. We collected enough items for 21 Buddy Baskets. You also filled out 136 Birthday Cards for those in the VAMC. Thank you to all of those who attended Legion College and supported our Veterans. You can show your support in other ways as well.

One of those ways is sending in \$2.00 (or more) per membership count at June 30, 2021 (see other side of this sheet for your unit count) to the Department this is on your Unit Obligations Sheet, also known as "the Blue Sheet". You will receive a citation from the Department. I will also have a \$50 drawing at Fall Conference for all units who have already paid their VA&R Fair Share by **OCTOBER 15th**.

There is also a joint collaboration with the Americanism Committee and VA&R. Americanism Chair Juli has invited all unit members to create Thank You Cards to be sent to the VA Hospitals for our veterans. Juli and I will both be promoting this activity and invite you to bring as many Thank you cards as you can to the Fall Conference. All participants will receive a certificate.

Thank you for your support and supporting our Veterans. If you have any question or would like more information please email me.

Katie
